Subject:	GADECO Buyer, Update.

Dear Jack
The leading person in the Chinese private Consortium emailed me yesterday that he still need few days in order to run on Friday a meeting with all his partners together before he returns to me.
I see no practical alternative but to wait.

In the meantime I've showed the finder's fee agreement to my lawyer in Israel. He insists that the sentence you've preferred to erase regarding the case of "investment in the Company in the form of equity, loans or guaranties"could end up being extremely relevant case in the proposed kind of deal.
I'm not expert on this and I fully trust you are a man of honor, however I prefer to kindly raise my request that you'll consider modify it according to these lines.
Thanks for your patience.
Again, best regards to Celeste.
Tough moments in our beloved Homeland.
Best to you
Ehud Barak

> Dear Jack
> 12 hrs ago I've sent the Buyer upon his request the attached GADECO overview and "Mr. Grynberg resume #2" as provided to me by Maxim. No further info were conveyed to them.
> They've just now asked me to let them 48 hrs to process the info before making a formal introduction.
> I intend to follow their request. Patience please.
